

# Permit and Fee Schedule 2017

**Adopted by Resolution 2017- 26**  
By the East Caln Township Board of Supervisors  
January 3, 2017

## Penalty for not having an approved permit

Chapter 90 'Building Code' of East Caln Township requires that an approved permit be acquired prior to the start of any regulated work.

<b>Failure to obtain a permit</b>	<b>Fees as listed herein are doubled.</b>
-----------------------------------	---

## Contractor Registration

Contractors operating within East Caln Township are required to be registered with the Municipality and provide Liability Coverage in an amount no less than \$1,000,000. Additionally, any contractor with employees must provide proof of Workers Compensation Insurance coverage.

	Registration
Commercial Contractors	\$100
Residential Contractors	Copy of PA HIC License
Annual registration is required. Failure to register will result in costs at double the normal fee.	

In addition to the non-refundable application fees described herein, each applicant seeking approval, shall reimburse the Township for all costs of engineering and/or inspections, professional planning review, specialized legal services, and other professional services.

## Building Permits & Plan Review

Permits are required under the Pennsylvania Uniform Construction Code and the International Code Councils publication of these guidelines & standards. East Caln Township has adopted by ordinance the complete International Code Series of publications. Additionally, the Municipality has retained a number of amendments to the Code that were adopted prior to 1999 and carry on to all subsequent editions of the Codes. **Three sets of plans are to be submitted with each application**, one set remains with the township, one set to applicant and one set must be on-site. All submissions must include an approved Zoning Permit.
