

East Caln Township Electronic Debit Program

The Township is happy to announce that they have implemented an electronic debit program for payment of sewer bills. This program is an electronic system that automatically pays your township utility bill. Once you are enrolled in this program your quarterly sewer payment will be automatically deducted from the bank account you provided to us.

More great news...there is no charge for this program! It is absolutely free!!

Residents enrolled in the program will be sent a notification at the beginning of each quarter giving approximately 15 days advance notice of when the money will be withdrawn from their bank account. Deductions occur quarterly on February 15th, May 15th, August 15th, and November 15th (if the dates fall on a weekend the deduction will occur on the next business day). Enrollment may be revoked at any time upon written notice to the Township to discontinue automatic payments.

Please call the Township at (610) 269-1989 and ask to speak with Bonnie, if you have any questions. Additional applications can be obtained at the Township Building.
